BI_005	Image Popup->Home	https://konnect.com/konnect/	Image dimension is bigger	"When I access the home page from my mobile device. On the main page, a picture pops up. The picture's dimensions are larger; therefore I have to locate a little place around the image to view the actual home page."		
BI_006	Content Category->Profile->Home->Teacher	https://konnect.com/teacher/home	The formation of Content Category isn't perfect.	"The Content Category formation in the Teacher's profile isn't showing up completely. There are a total of six categories, so each row may display three. If we can achieve that, we can present all six categories in two rows."
